

ArtisPhere brings together artistic enterprises on Pleasant, Main streets in Gloucester

Friday Posted Jul 29, 2016 at 7:52 PM

So where is ArtisPhere? Visit the unassuming corner of Main and Pleasant streets. Take a look up Pleasant Street, and notice the Cape Ann Museum in the distance. Law & Water Gallery on the left, along with Michael Wall's prestigious American Marine Model Gallery. To the right, in front of the museum, Jane Deering's new JDG space nestled among existing galleries. Now turn around to notice Matthew Swift's daring Trident Gallery on Main.
